PROPOSED LAWS AND RULES, MASSAGE ESTABLISHMENTS

Ms. Packer discussed the Board's charter regarding protection of the public, and that because of concerns regarding sanitation and safety, human trafficking, and illicit massage businesses, approximately 21 states have moved forward with statutory language regarding massage establishments. She also stated that Mr. McQuade is prepared to cover proposed draft legislation regarding establishments in Idaho. If the language is approved by the Board, it will be taken to the Idaho US Attorney's Office for a review, and then to the Governor's Office for approval. If the Governor concurs with the need for additional measures to protect the public, the legislation would then be presented during the next Legislative session.

Mr. McQuade presented a draft of statutory language regarding massage establishments. After discussion, the Board gave recommendations. Dr. White made a motion to proceed with the legislative idea as described in the draft. It was seconded by Ms. Nagle-Ker. Motion carried.
